There was not a quorum at the meeting so no actions were taken with the Approval of Agenda/Conflicts of Interest

Old Business:

Final Report of Fine Arts in the Hills Show & Sale – Kristie reported booths were full. All artists sold pieces except one artist. Friday reception went well. Artists provided feedback via our feedback summary – overall, positive feedback. One concern was the sound from the video shown and a comment about what we defined as fine art. Kid's events were well received. We had a brief conversation about possibly having the artists process their sales directly. This will require some analysis to determine booth fees, etc. Next year's committee will have the debrief notes to review through and determine how 2023 will be structured.

New Business:

a. **News & Information from Artforms** – No report

b. **Event Updates**

a. **Quilt Show** – JoAnn and Vicki reported that there are 240 quilts with 2 more weeks to go. 20 vendors. 36 Fiber Arts entries. Black Hills Rental will set-up the vendor area and auditorium. The Bed Turning will be at the Little White Church. Capacity for Bed Turning is 80. Vicki reported that the classes are not filling up as fast as last year. We still need to know what merchants will hang quilts and size they can hang.

b. **Plein Air Paint Out** – A meeting will be scheduled.

c. **Prevailer Advertising** – JoAnn said there will be an opportunity to advertise in a featured teacher of the week. \$25/issue. We could advertise for the Choir, Band, Arts and Drama teachers, which would be \$100. There was not a quorum at the meeting so no actions were taken.

d. **Missoula Children's Theatre** – coming to Hill City September 19-24. Last year we donated \$500. There was not a quorum at the meeting so no actions were taken.
