

We are thrilled to be celebrating the 14th anniversary of **Fine Arts In The Hills Show & Sale** (formerly Sculpture In The Hills). This year we are growing the event to include fine arts along with sculptures. This juried show and sale is under the big tent on Elm and Main Streets in downtown Hill City **June 17-19, 2022**. We write with the hope that you will join us as a sponsor of this event.

This unique event takes many helping hands and dollars to host artists and guests. As many as 21 Artists participate each year, many of whom love Hill City and return again and again; and there are always new artists to meet. This year we hope to have more Artists than ever, representing various fine art mediums. The Artist's work will require highly developed techniques and skills and all entries will be juried. Examples may include, but not be limited to, two dimensional art like drawings/pastels, mixed media 2D, paintings, photography, and printmaking and three dimensional art like clay, fiber, glass, jewelry, mixed media 3D, sculptures and wood.

The Fine Arts In The Hills Show & Sale will begin with an Artists Reception on Friday, June 17 from 6-8 pm. The reception gives you a chance to meet the artists, shop and enjoy good food and comradery. The Sale & Show continues Saturday and Sunday, June 18 & 19 and is open to the public.

The arts are a fundamental component of a healthy community---strengthening them socially, educationally and economically--benefits that persist even in difficult social and economic times.
